Grr...

Shut your trap.

You done yet, Mario? Hurry up!

Grrrrrr...

Damn! They saw us!

The source of the magic that disguises them as skeletons must be in this castle.

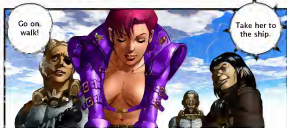

Don't  
move!

You can't  
fool us  
anymore,  
Raiders!

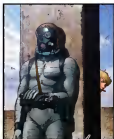

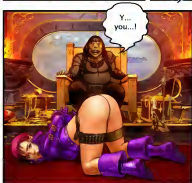

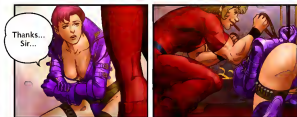

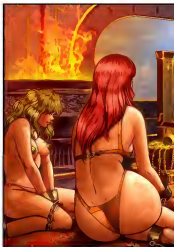

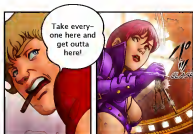

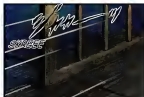

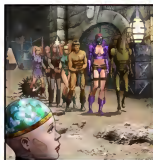

Wh... where am I...!?

I told you. I need to have a little chat with you.

W...why are we all the way up here...!?

Y... you're going to... kill me, aren't you...?!

I hope they've reached the castle safe and sound...!

Looks like the girls got away.

Heeeeey! Somebody help!

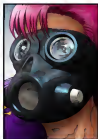

Looks like you aren't very popular

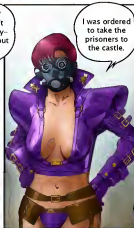

Damn! They're ignoring me!

Up here! Help me!

Damn!  
They've  
been  
found.

All right,  
you want  
me to let  
you go?

S...  
stop it! Let  
me go!

Ugh!

Because  
you  
talked...

Let's talk  
about old  
times,  
Vargas.

N... no.  
I meant to  
say please  
don't let me  
go.

I heard a rumor  
you used the  
money you pock-  
eted and hired a  
hitman to kill them  
both while they  
were in jail.

...Locke was  
gunned down by  
the police, and  
Bill and Ted are  
in jail

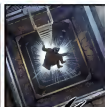

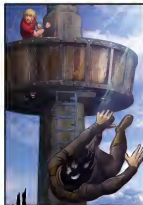

S...Spare me.  
I heard a rumor  
that Cobra the  
pirate doesn't kill  
anyone who's not  
resisting.

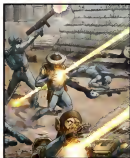

Yeah, I do. It  
seems like  
something  
you would  
do.

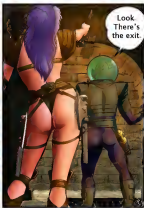

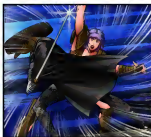

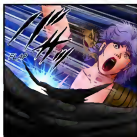

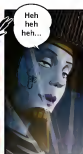

Th... that's  
just a rumor.  
You don't  
really believe  
that, do you?

What...!?  
Cobra's  
here, too!?

Let's hurry  
and find  
Cobra and use  
the ship to  
escape!

But sir! He  
is a formi-  
dable  
enemy!

What...?  
Cobra...!? How  
could one  
pirate create  
such a mess!?

I will deal with  
Cobra... you  
will clear out  
the remaining  
Raiders.

Very well.  
He's no match  
for a group of  
ruffians like you,  
scraped together  
at random.

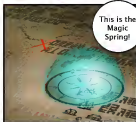

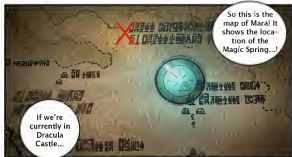

He's as  
powerful  
as he's  
rumored  
to be!

I was going  
to say the  
same thing  
to you,  
Dracula.

I'll send those  
treacherous  
Raiders  
straight to  
hell, too.

Fools. You think you can take me down?

Bastard! Kill him!

Let's see about that. Have you forgotten about this girl?

Traitor...! In order to kill you...

I can turn to mist. You can't kill someone who has no form.

Sorry, but it's impossible!

...my power!

Let me show you...

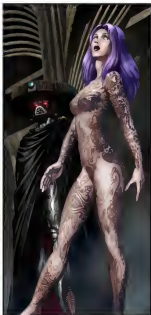

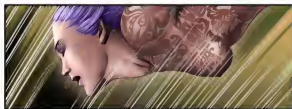

Her mind is under my control now.

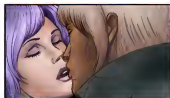

That's right! It's your beloved...!

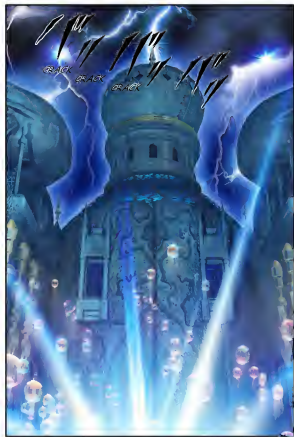

Don't you dare!

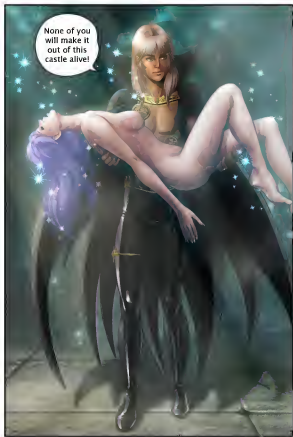

None of you  
will make it  
out of this  
castle alive!

Who you  
callin' useless?

Useless crap...  
stops working  
when you need  
it!

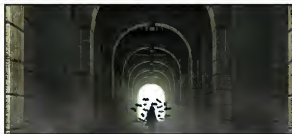

And so what  
if I can?

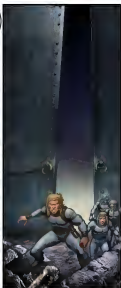

Ack! My gun  
can talk!

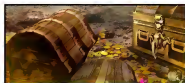

I could bite  
you in the  
ass, too.

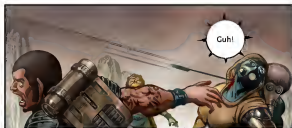

I'm tired of being  
used to do these  
fools' dirty work.

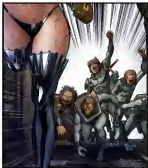

Be carefull! Guns  
and chemical  
weapons will  
bioform! Don't  
use them!

Heh heh  
heh...

We'll need to  
use more  
primitive  
weapons for  
this one.

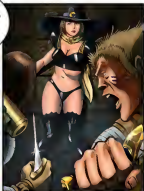

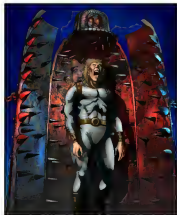

We got you,  
little girl.  
You can't  
run.

That's what  
I was gonna  
say.

Release the  
Bloody  
Hounds!

Many Raiders  
still remain in  
the castle!

Leave them  
to the  
Guild's  
ruffian  
soldiers.

Those  
Raider  
punks...

...kill that  
man!

Bloody  
Hounds...  
you must...

It's a direct  
path from 157  
to 158! We'll  
catch up with  
him soon.

This is  
Platoon A.  
Roger  
that.

Lana!  
Where are  
you!?

He's running  
west from  
corridor 157 to  
158!

This is  
Platoon C!  
We are also  
approaching  
from the west

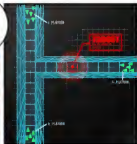

This is Platoon  
B! We are ap-  
proaching  
from the  
north!

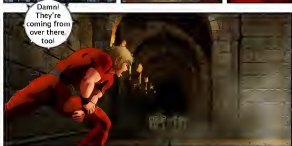

We're running at  
100 km/h! That  
guy's not human;  
he's a damn  
cheetah!

...! This guy is  
out of control!  
We can't catch  
up! How could  
he be faster  
than us!?

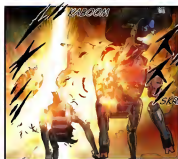

We got him!

!?

Huh...?  
He's gone!

Huh...?  
What is this  
hole...!?

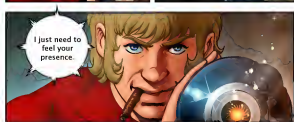

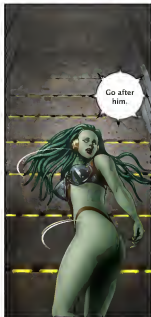

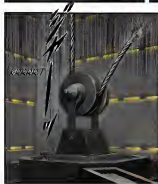

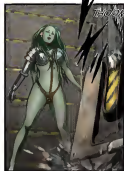

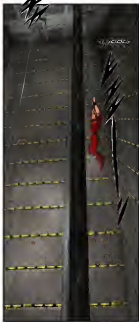

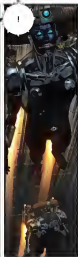

Platoon D,  
what  
happened!?  
Respond  
now!

Platoon  
D, re-  
spond!

It seems the  
Black Darts  
have been  
annihilated.

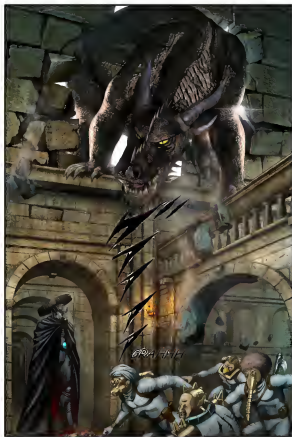

All communi-  
cation with  
the Black  
Darts is down.

The magic is  
getting more  
and more  
powerful.

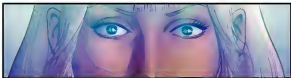

Please forgive  
me.  
I couldn't  
protect you...!

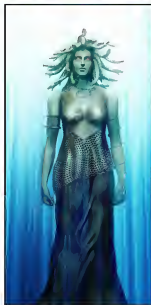

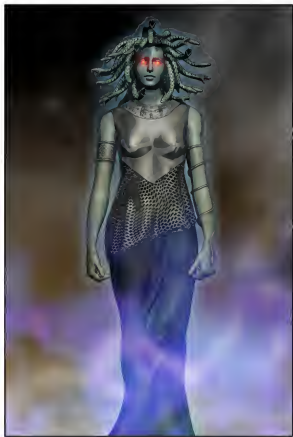

So the cross does  
work against you.  
It looks like you  
can't escape the  
fate of a vampire.  
Dracula.

Within this circle is  
inter-dimensional  
space. Your magic  
is of no use here.

Time to substitute players, Khan. I'm your opponent now.

No. I'm not fleeing after so many of my people have been killed.

Sit this one out, Dracula. Head to the underground naval port.

Once I take down this giant, I'll meet you down at the naval port.

Go, Dracula!

If you don't run, more of your friends will die.

How does  
Sagittarius'  
poison  
taste...?

Minotaur!

I'm gonna  
make you  
suffer first.

CLATTER

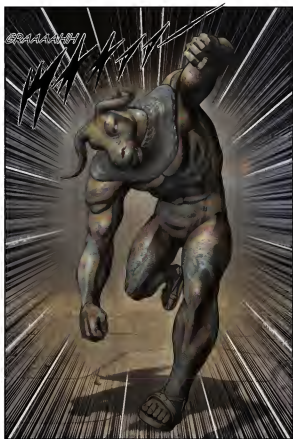

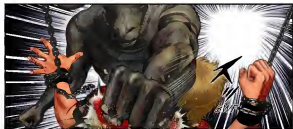

Cobra's going to get killed!

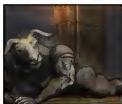

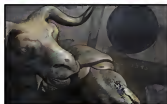

Wraaaahhh!

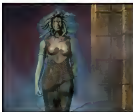

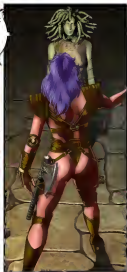

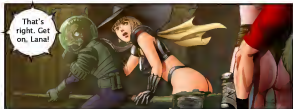

Lana, get on your broom with Zita and get out of here!

That's right. Get on, Lana!

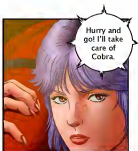

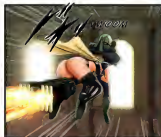

That broom can't carry four of us.

You two should get on, too!

Hurry and go! I'll take care of Cobra.

Wow, so Xanadu can talk!

How could it be? She's just a puppet! I didn't give her a speech function!

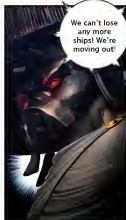

Her own will!? She's a doll! She only does what I order her to!

But she definitely talked! She's developed her own will!

We can't lose  
any more  
ships! We're  
moving out!

Three,  
including  
the  
flagship.

How many  
ships haven't  
bioformed  
yet?

This castle is full of coffins. It's not surprising that one would find its way out, but...

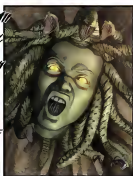

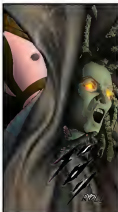

What's that?

Shoot it just in case.

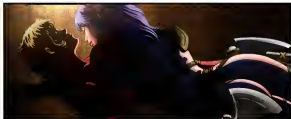

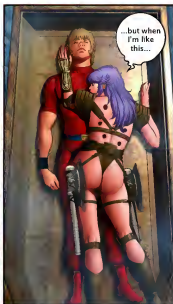

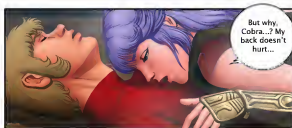

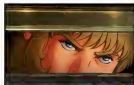

Don't worry.  
Mario will fix  
my body...

You all  
right!? They  
shot you in  
the back...

Let me have  
a peek out-  
side.  
Xanadu.

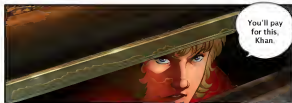

Hey...!  
That  
girl...!

That damn  
Khan! How  
could he...!?

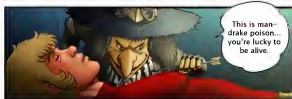

FROOOAR

Leave the rest to  
this frail old  
witch.

Who's  
this old  
hag?

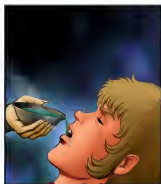

Removing man-  
drake poison can  
take time. The  
problem is whether  
this man can hold  
out during that  
time...

Is this covered  
by my health  
insurance,  
Granny?

Granny is  
the most  
well-known  
witch doctor on  
this planet.

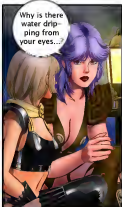

How long do you  
plan on making  
me wait, Khan?  
The magic shield  
is still intact.

Our fleet is in orbit  
around the planet,  
preparing for attack.  
I'm waiting for your  
signal.

Be careful. The closer you are to the island of the Magic Spring, the stronger the magic will get...

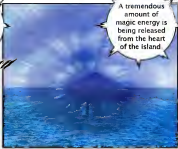

A small island  
with a spring is  
in our sights.

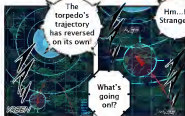

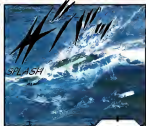

Torpedo  
number one  
is loaded.  
Awaiting fur-  
ther instruc-  
tion.

It is too  
powerful to  
be measured  
by our gauge.

A tremendous  
amount of  
magic energy is  
being released  
from the heart  
of the island

It's futile  
to fire  
weapons  
at the  
island!

It's no use.  
It bio-  
formed...

This is Ship 2!  
We are being  
bombarded  
from the left!

What was  
that!?  
Report to  
me imme-  
diately!

Lord  
Dracula,  
they got  
Ship 2!

It's no use!  
We won't  
make it in  
time!

Bring the  
artillery out  
to the bow!

There's an  
other one  
coming right  
for us!

Just  
gonna  
hop on  
over!

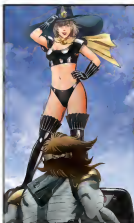

What are  
you plan-  
ning,  
Cobra?

Bring the  
ship as  
close as  
possible!

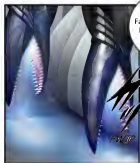

Farewell, Cobra!  
Play nice with  
Steambot!

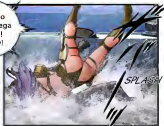

Leave this  
one to me,  
Cobra!

Xanadu!

You go  
after Mega  
Khan!  
Hurry!

Hurry! If they  
destroy the  
Magic Spring,  
this planet will  
be...

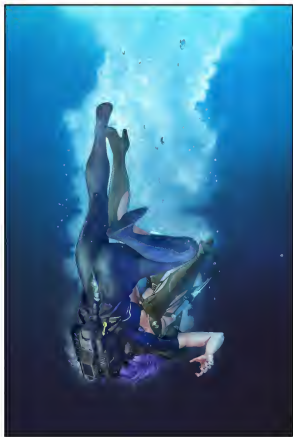

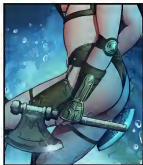

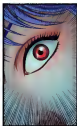

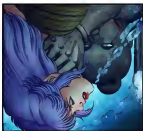

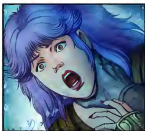

Xanadul

...destro...!

Why... is the  
shield... not  
working...!?

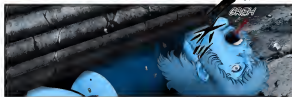

Raaaagh!

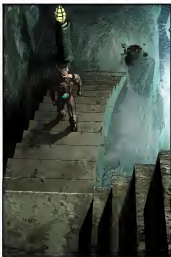

Your prided  
left hand is  
crushed. You  
can't fire your  
Psychogun.

It's too bad  
you won't live  
to see the  
end of this  
planet,  
Cobra...

Khan to Guild  
fleet! The magic  
shield has been  
deactivated!  
Commence  
attack!

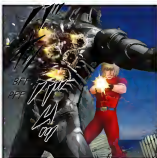

Comman-  
der. Planet  
Mahadoma's  
magic shield  
has been de-  
activated.
